Impolite parrots: Most of us are brought up being told to "mind our manners." Somehow, a flock of eight parrots at Lincolnshire Wildlife Park in eastern England did not get the message. Or, they got the message but refused to listen, and continued to flaunt their "fowl" speech. Park officials had attempted to curb the parrots' behaviour with reprimands like time outs. But to no avail. Now, instead of trying to keep the offending parrots away from the well-behaved ones, park employees have decided to try a new experiment: move the naughty parrots in with the 92 polite parrots in the hopes they will pick up better manners from their feathered peers. Time will tell.

Alpine office: Hold on to your office chairs! An Asian advertising agency is being accused of taking "remote work" to a new level by literally relocating its entire operation from a city business district to a remote mountain area. Former employees are crying foul play, alleging that the relocation was a plot to make them voluntarily pack up their desks so the company could avoid layoffs and compensation. In what can only be described as an uphill battle, the agency's move made the daily commute a two-hour trek, each way, especially challenging for those without a personal car. Now, that's taking "remote" work to new heights!

Bite and run: Residents of the small town of Vastogirardi, in the Molise region of Italy, could not figure out why they often would go out to their cars only to discover their tires were flat. The residents of the peaceful little village were scratching their heads and beginning to fear there was evil intent behind the strange and consistent vandalism. Finally, cameras were set up and undercover patrols assigned to the case. They quickly discovered the culprit was a dog with a very sore set of teeth. Apparently the canine suffered from gingivitis and was biting into the tires to relieve the pain.

Your Weekly Horoscope

ARIES (Mar 20 - Apr 19)

Be careful, especially at midweek, of impulsively speaking or taking action without first thinking it through. If you can't stop yourself, be sure to have a plan B. Lucky numbers: 1, 2, 9, 32, 38, 40.

TAURUS (Apr 20 - May 20)

This week may offer a sudden insight about potential opportunities. Carefully consider the pros and cons. If something feels right to you, perhaps proceed with it. Lucky numbers: 8, 15, 23, 30, 38, 48.

GEMINI (May 21 - Jun 20)

At midweek, your mind may be running at break-neck speed. Take a deep breath and wait. Any important insight you receive should still be there in a few days. Lucky numbers: 7, 22, 31, 32, 35, 46.

CANCER (Jun 21 - Jul 22)

Your emotions may be particularly volatile at week's end. Be careful about saying something that you can't retract. Perhaps postpone that conversation for a few days. Lucky numbers: 5, 6, 10, 25, 39, 45.

LEO (Jul 23 - Aug 22)

Your innate enthusiasm and joy may get an extra boost right now. How might this temporary energy help you accomplish something new for yourself and others? Lucky numbers: 6, 10, 12, 26, 35, 41.

VIRGO (Aug 23 - Sep 22)

Are you feeling frustrated and in opposition to something or someone? If you can't find a win-win outcome, you may want to wait a few days to proceed. Lucky numbers: 4, 5, 7, 11, 26, 32.

LIBRA (Sep 23 - Oct 22)

Libras tend to prioritize good relations with others over their own desires. If this applies to you, mid-week may offer an opportunity to negotiate what you need. Lucky numbers: 3, 5, 6, 10, 38, 43.

SCORPIO (Oct 23 - Nov 21)

Are obstacles preventing you from getting on the same page with someone else about a problem? How might your viewpoint be adjusted to facilitate a solution? Lucky numbers: 2, 8, 12, 27, 28, 48.

SAGITTARIUS (Nov 22 - Dec 21)

A solid set of beliefs is often important for Sagittarians. You might be challenged this week. Are your prior beliefs still valid or do you need to reconsider them? Lucky numbers: 16, 20, 23, 27, 33, 39.

CAPRICORN (Dec 22 - Jan 19)

Your heart and mind may be out of sync at the end of the week. To create balance, you might want to lean into more emotional expression at this time. Lucky numbers: 10, 14, 31, 34, 42, 43.

AQUARIUS (Jan 20 - Feb 18)

Humanitarianism can be an important life theme for Aquarians, though your approach may be detached. Now maybe you can add some fire to jump start your endeavours. Lucky numbers: 12, 13, 15, 16, 39, 43.

PISCES (Feb 19 - Mar 20)

In the last few weeks, have you been implementing opportunities that manifest your ideals into the world? What steps might you take before this energy passes? Lucky numbers: 9, 16, 18, 20, 28, 32.

Lucky numbers this week: This week's odds favour Leo winners with the luckiest number being 35.

Did You Know...

Toothache troubles: If you lived in Germany during the Middle Ages, you might have been one of the many people who believed that kissing a donkey would take away toothache pain. If the donkey kicked, that could be a different matter!

Sleeping patterns: Most people try to get eight hours of shut-eye every night. Famous painter Leonardo Da Vinci, like many other geniuses, favoured a 20-minute power nap every four hours. That's not much sleep!

Unique license plates: Northwest Territories have had unique plates on their cars since 1970. Nunavut license plates shared the polar bear shape from 1999 to 2011 but now only Northwest Territories is using them.

On the Lighter Side

A couple went to a party dressed as a barcode. They decided they were an item.

Sign on the house: "Pressure washer for sale."

Sign on the house next door: "Yay!"

What sort of shoes does Winnie-the-Pooh wear? None, he has bear feet.

Extremism is so easy. You've got your position, and that's it. It doesn't take much thought. Then, when you go far enough to the right, you meet the same idiots coming around from the left. ~ Clint Eastwood.

What's yellow and swings through the jungle smelling of almonds? Tarzipan.
